

**We do  
everything  
it takes  
to care for  
your home.**

Heating Oil  
Propane  
HVAC Services

## Experience

We're the country's #1 home heating oil company, with over 100 years of experience. We provide home services to East Coast customers from Maine to Virginia.

---

## Trust

Our team of insured and certified technicians has an average experience level of 15 years. They arrive at every job with a fully-stocked truck and are rigorously trained to ensure the job is done right on the first visit.

---

## Reliability

Our expert technicians arrive on time and are clean and respectful of your home. We provide emergency service, 24/7, in any weather.

---

## Quality

We partner with top manufacturers like Burnham, Trane, Fujitsu and Briggs & Stratton to offer the latest EnergyStar rated equipment for total home comfort and energy savings.

Our dedicated team is always working to provide better service.

That's the Petro promise.

### Heating Oil, Propane and HVAC Services

- Reliable automatic fuel delivery with a guaranteed supply – we never run out
- Pricing plans and SmartPay monthly budget plan for managing heating costs — with no hidden fees
- Comprehensive service plan options and heating system tune-ups to ensure your system runs at peak efficiency

### Heating Equipment

- Expert consultation to determine the equipment that's right for your home and budget
- Installation and service of oil, propane and natural gas heating systems, boilers and water heaters
- The latest, energy-efficient systems from quality brands, including Burnham
- Equipment protection plan options

### Natural Gas Services

- Expert installation and service of heating and hot water systems from quality brands like AO Smith and Bradford-White
- Service plan options

### Generators

- A full range of backup generators including ones that switch on automatically when there's an outage
- Planning, installation and service for propane and natural gas powered generators

### Cooling

- Expert consultation, installation and service for central and ductless AC systems
- Service plan options and tune-ups to maintain maximum efficiency
- Energy-efficient equipment from leading brands like Trane and Fujitsu

### Indoor Air Quality

- Expert advice and installation of the latest indoor air quality solutions to help prevent allergens and viruses from entering your home
- Ultraviolet (UV) germicidal light filter systems, air cleaners and whole-house humidifiers from Trane

### Chimney

- Cleaning, repairs and masonry restoration to keep your home safe and clean year round
- Installation of new liners, caps and dampers
